Trip Cancellation

Coverage Eligibility

To be eligible for the Trip Cancellation Coverage benefits **you** must meet the following conditions:

- be a **Canadian resident** listed on a Rogers World Elite **Mastercard account**; and
- the full cost of **your trip** is charged to the **account** prior to departure.

Coverage Period (Prior to Departure)

Coverage begins on the date of the first **trip** payment and before any cancellation penalties have been incurred.

Coverage ends at the time of the **trip's** scheduled departure or the date of cancellation, whichever is earliest.

Benefits

If **your trip** is cancelled due to a Covered Reason listed below, the **insurer** agrees to reimburse for the prepaid portion of the **trip** which is non-refundable or non-transferable to another travel date, up to \$1,000 per insured person to an overall maximum of \$5,000 per **account**, per **trip**.

Covered Reasons

14. **You** or **your travel companion** is selected for jury duty or subpoenaed to appear as witness in court whereby the date of the hearing conflicts with the **trip**.

15. **Default** whereby a contracted **travel supplier** stops all service completely as a result of bankruptcy or insolvency and the losses are not recoverable from any other source.

Such delay due to traffic **accident** or emergency police-directed road closure must be substantiated by an official police report. - the extra cost to change **your** return **ticket** to a one-way economy fare, via the most cost-effective route, back to **your** departure point; or

General Provisions

1. **Coordination of Benefits:** The Emergency Medical Coverage benefit provided herein is supplemental in that it pays for covered expenses in excess of **your** government health insurance plan and any other insurance plan. The Trip Cancellation, Trip Interruption and Trip Delay benefits provided herein are supplemental in that they pay for covered expenses in excess of reimbursement from any **travel supplier** and any other insurance plan. Benefits payable under any other insurance plan under which **you** may have coverage will be coordinated in accordance with the current guidelines issued by the Canadian Life & Health Insurance Association. Payment under the insurance and any other plan shall not exceed 100% of the eligible charges incurred. This insurance also allows the **insurer** to receive in **your** name, and endorse and negotiate on **your** behalf, these eligible payments. When government health insurance plan and other insurance payments have been made, this releases government health insurance plan and the other insurers from any further liability in respect of that eligible claim.
2. **Currency:** All amounts stated in the **certificate of insurance** are in Canadian currency unless otherwise indicated. If **you** have paid a covered expense, **you** will be reimbursed in Canadian currency at the prevailing rate of exchange on the date the service was provided.
3. **Payment of Benefits:** Benefits payable under this **certificate of insurance** will be paid within 60 days of receipt of satisfactory proof of loss. Payment made in good faith will discharge the **insurer** to the extent of this claim.
4. **Legal Action:** Any action or proceeding to recover benefits hereunder cannot be taken prior to 60 days after satisfactory proof of loss has been furnished in accordance with the requirements of this **certificate of insurance**. Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* (for actions or proceedings governed by the laws of Alberta and British Columbia), *The Insurance Act* (for actions or proceedings governed by the laws of Manitoba), *Limitations Act, 2002* (for actions or proceedings governed by the laws of Ontario), *The Limitations Act* (for actions or proceedings governed by the laws of Saskatchewan) or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the *Quebec Civil Code*.

6. **Sanctions:** There is no coverage for any business or activity to the extent that would violate any applicable national economic or trade Sanction law or regulations.
7. **Governing Law:** The benefits, terms and conditions of this **certificate of insurance** shall be governed by the insurance laws of the province or territory in Canada where **you** normally reside.
Conflict with Laws: Any provision of this **certificate of insurance**, which is in conflict with any federal, provincial or territorial law of **your** place of residence, is hereby amended to conform to the minimum requirements of that law.
